Contact Phone Numbers

We are asking that residents update their or their renters phone numbers with the Village office. More people are turning to cell phones for their only telephone, or an unlisted number and it is getting harder to contact residents about things such as water issues. Also, if you use email, please provide us with that as updates can be sent that way also.

CAFT Pre-Authorized Payments

If you are worried about forgetting to pay your water/sewer bill or want to pay or pre-pay your taxes in monthly installments, The Village of Canwood offers pre-authorized payments for utility bills and taxes! If you are interested, please stop by the Office and bring a void cheque.

Leaf & Grass Pick-up

Leaf, grass and garden refuse collection is done bi-weekly on Wednesdays. July and August dates are as follows:

July 10 & 24
August 7 & 21

We do not mind picking up a few branches but will not be picking up piles of branches. Residents are asked to make their own arrangements for the disposal of large amounts of branches.

August & September Garbage Collection

Please note that Saskatchewan Day is Monday August 5 and Labour Day is Monday, September 2, 2019, resulting in garbage collection to occur on the following Tuesday, August 6 and September 3.

Financial Statements

Please be advised that the 2018 Financial Statements for the Village of Canwood and Auditor's Report are available for viewing. Copies can be obtained in the office during regular business hours.

Overgrown Grass and Weeds

We would like to remind residents, businesses and property owners to ensure that your yard or lot is kept in a tidy manor and that you do not allow grass or weeds to become overgrown.

Animal Control

Council would like to advise residents who are not aware that we have an Animal Control Bylaw. This Bylaw controls various issues relating to animals within the village, such as the number of animals you are allowed to harbor, animals running at large, defecation and creating a disturbance. Another stipulation of this Bylaw requires owners to complete an Application for License and remit an annual license fee. For the year of 2019, the annual fee for licensing your dog or cat is \$15.00 per animal until July 31, and starting August 1, it increases to \$30.00 per animal.

If you have not completed your pets Application for License form please visit our website canwood.ca to locate the application under Administration/Bylaws, Permits, Policy or obtain from the Village office. The fee and application can be mailed or dropped off at the office.

Residential Sewer Line

Please be advised that the Village office is organizing for resident's sewer line inspection, flushing and repairs. On behalf of JS Industries, we are compiling a list of residents that would be interested in this service. JS Industries can repair broken sewer pipe with a fiber glass patch, or can line the entire services from the main to the cleanout with an epoxy. All services are performed from the cleanout in the basement, avoiding costly digs and saving the landscape of your yard. Patching and lining can be done in one day, minimizing disruption to the household. Please also see the insert with this newsletter. If you would like more information or to be added to the list for this service please call the office at (306)468-2016.

Fees to the resident are as follows:

Cleaning and inspection	\$250
Repair broken pipe with cleaning	\$1,800
Epoxy lining of pipe with cleaning	\$5,000 (starting at)

All above prices are plus applicable taxes

Summer Youth Program

Youth ages 5 to 12 are invited to attend the FREE Summer Youth Program at the Canwood Public School. The program will begin on Monday, July 8, and continue through the summer until August 23, 2019. The program hours are Monday to Thursday each week beginning at 9:00 a.m. to 3:00 p.m. and Fridays 9:00 a.m. – 12 Noon, with the exception of statutory holidays. The children will enjoy a morning snack but will require a lunch or need to make arrangements to leave at lunch time.

Kids can come for half days, whole days, some days or every day! Have fun playing with friends, doing crafts, playing outdoor games, learning about your community, dressing up, nature walks, water activities and much more!

The weekly themes will be:

July 8 to 12 – Hello Summer

July 15 to 19 – Blast from the Past

July 22 to 26 – SYP's Game of Games

July 29 to Aug 2 – Water Whiz

August 6 to 9 – Home on the Range

August 12 to 16 – Sports Extravaganza

August 19 to 23 – The Great Outdoors

For any questions or more information, please call the Summer Youth Program Coordinator, Amy Wreford at (306)468-7636 or the Village of Canwood office at (306) 468-2016.
