JUNE 2015

## ADMINISTRATOR'S MESSAGE

The highlight during the month of May was our graduation ceremony on May 22. Six students were honored and congratulated on their many accomplishments and academic achievements. Mr. Schwehr and I want to personally thank all the staff and students that helped with the preparations, ceremony and banquet in anyway. Thank you to the community for your continued support in attending the graduation exercises to acknowledge the thirteen years of schooling of the students. We want to wish our graduates all the best in their future endeavors as they realize "Oh, the Places You'll Go". Remember to set goals, take responsibility for your actions, cherish the friendships and memories that you have built and remember the lessons learnt.

Track and Field has also been busy this month. K to 8 students traveled to Debden for a joint Track and Field Meet on May 20. It was a great day for all students and staff as the weather cooperated and all the students had a great day. Thanks to Debden students and staff for inviting us to participate. Congratulations to Caleb Bloom who was the group winner in Age 6/7 Boys and Tora Olson and Jacklyn Sten who tied for group winners in Age 6/7 Girls. High school students have been practicing and eleven students attended the City Track Meet and eight qualified to advance to the District Track Meet. The Grades 4 - 8 will be attending the P4A Track and Field Meet in Prince Albert June 2 and 3. Good luck to all the participants.

Thank you to all parents/guardians for encouraging your children to remain focused for the last month of school, work diligently to complete all final projects, and study for final exams.

*-Mrs. Sherry Moar & Mr. Richard Schwehr*

## **ADOPT-A-VILLAGE NEWS**

The school year is coming to an end but our Adopt-a-Village program is still going strong! As many of you may know, a group from our community had the opportunity to travel to Totoras, Ecuador in April to work with our village that we raised money for, digging trenches for the water project! This was an amazing experience for everyone who went and gave them a chance to see just how much our fundraising is helping! More recently, we have been working on fundraising for the *Alternative Income and Livelihood Pillar*. We had a competitive classroom fundraiser and we are donating half of our Mom's Pantry profit, and we are pleased to announce that we have raised \$2,180 so far! Some of the things the money can be used for within this pillar are buying goats, forming girls clubs, as well as business and financial literacy workshops and much more! Thank you to everyone who continues to help us with our fundraising goals, it's greatly appreciated!

-Joelle Hoeflicher

## LIBRARY NEWS

A special **Thank You** to all the students who have already returned their library books this school year. After June 10 no new library books will be allowed to go out of the library. All books must be returned to the library by June 18 so that I can start inventory with a full library of books. I would like to thank Johnathan Bather who so graciously donated a book of his own to the library. I'm sure your fellow students will enjoy it. If anyone finds a library book over the summer (it may have a **Canwood Community School barcode** on the back right-hand corner or a label on the spine of the book), please hang on to it and return it in the fall as books are very expensive and we would like to keep our local school library as full as possible.

-Mrs. Tracy Pease
