

CANWOOD PUBLIC SCHOOL NEWSLETTER

NOVEMBER 2015

ADMINISTRATOR'S MESSAGE

October has been a busy month in Canwood Public School. The month has been filled with various activities involving all students K-12. Cross country running finished up at the beginning of the month. It was a great day for our students and we want to congratulate Ethan Bodnarchuk for a first place finish in his age group. Education week was an outstanding event that demonstrated the theme "Celebrating each Student". It was kicked off with a buddy breakfast that got the whole school together in the gym celebrating our students. The older students paired with the elementary students to share breakfast and then read a book together. Tuesday, October 20, the SRC hosted a Pep Rally for all the students to enjoy. Wednesday evening, the SRC hosted a Family Literacy evening. Twenty-two students plus their parents joined us for the evening as students were entertained with a skit followed by a series of stations that included face painting, cookie decorating and making a craft. Thursday afternoon, Kerri English, Sigurd Skarsgard, Becky Wilson, Georgia and Harleigh Hamborg entertained students on their fiddles. Friday was Roughrider or Green day. Our week turned out to be very busy as we "Celebrated each student." October 28 our Grade 9-12 students attended the Saskatchewan Rivers Career Fair in Prince Albert.

November shows no signs of slowing down as Kindergarten through Grade 12 students will be receiving their first report card of the year on November 4. Parent-Teacher Interviews will be held from 4:00 -9:00 p.m. on November 5. Make sure to stop by the book fair and spend your students SCC money as Mrs. Pease has brought in some fantastic items. Our Junior volleyball team wrapped up their season on October 28 with their extravaganza in Big River. Our Grade 7 and 8 students will be building cardboard boats to race at Carlton on November 5.

On October 9, during the PLC day our staff completed their First Aid and CPR training. We will be having another PLC day November 23 where we will participate in a workshop on Digital Citizenship. Our Remembrance Day program will be on November 6 at 1:30 p.m., feel free to join us as we reflect on those who sacrificed so much for us.

Have a great month of November and feel free to stop by and experience all of the great things that are happening at Canwood Public School.

-Mrs. Sherry Moar & Mr. Richard Schwehr

Book Fair Gift Certificates - Saskatchewan Rivers Public School Division's commitment for student achievement is "Excellence for Every Learner". One way that the students' education is impacted is by improving literacy. The Canwood School Council supports the ideal of improving literacy skills for the students in our school, and therefore, looks for different ways each year to support the school in educating our children. In the past the school council has bought a variety of textbooks and materials to enhance student learning. The council has also purchased books at Christmas, one for each family with children in the elementary grades. This year the council has decided to present each student in Pre-K to Grade 6, a \$5 gift certificate to be used towards the purchase of a book at this year's book fair.

Influenza Clinic - Influenza vaccination is recommended for all individuals over 6 months of age each fall. People at greatest risk include preschoolers, pregnant women, individuals with a chronic health condition, people with severe obesity, residents of long-term care facilities and persons over 65 years of age. People who are in contact with any of these groups of people are encouraged to get immunized to protect those at high risk. There will be an influenza clinic at the Canwood Public School on **November 18, 2015: 1:00 to 4:00 p.m.**

Please note: The Flumist vaccine (nasal spray) is an optional vaccine for 2-17 year old children. Parents of preschoolers can also book their children into a Baby clinic by phoning Public Health at 306-469-2505.

Day of The Child - There is Mother's Day, Father's Day and Grandparent's Day, but what about a "Day of the Child"?

On Friday, November 20, the Saskatchewan Rivers Public School Division, Saskatchewan Rivers Students For Change and the Prince Albert Early Childhood Council are promoting children's rights with "Day of the Child".

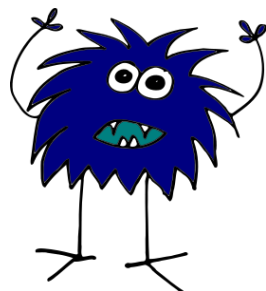

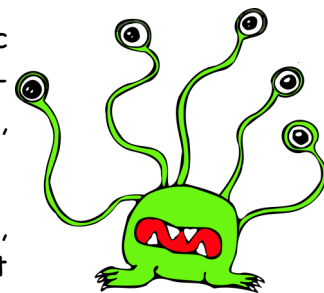

Come in to the Canwood School office to buy a blue bracelet to show your support, they are also available from select retailers in Prince Albert. All profit from these bracelets goes to the Early Childhood Council. On November 20, make sure you wear blue to raise awareness for children's rights, and tell people "I support children's rights!". Thank You.

INVOLVED IN READING

From meeting with the teacher to attending special events, there are many ways for you to be involved at your youngster's school as he learns to read. Here are three:

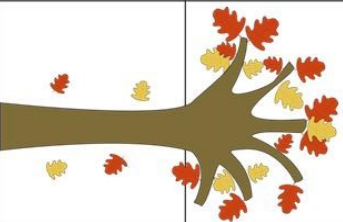

1. Attend a parent-teacher conference. You'll discover how your child is doing in reading (and other subjects). You may get to see books he is reading or samples of his writing.
2. Visit the school book fair. You and your youngster will enjoy browsing new books, and they usually offer discounted prices.
3. Go to a family reading night. You may do activities like reading with your child and playing word games. You might also come away with ideas to try at home.♥
