JUNE 2022

## ADMINISTRATOR'S MESSAGE

Days can be long sometimes, but years are short. It seems cliché to say the years fly by but it certainly seems to be true as it is hard to believe we are entering the final few weeks of school. With all that is planned for the month of June I am sure it will fly by as well.

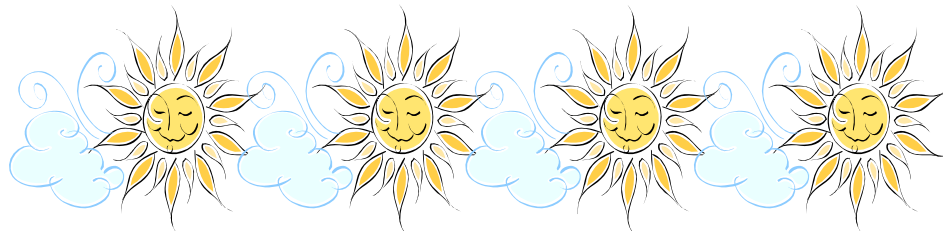

This past month of May had plenty of good stuff going on including track and field days in both Prince Albert and Debden. Junior football was on the gridiron with a spring camp running for the month, ending with a Jamboree hosted by the Prince Albert River Riders. There were also multiple spirit days where students could earn points for their houses. Speaking of houses students are still able to earn points for their house by reading books, the more pages and books read the more points earned.

In June there are multiple activities and events on the horizon including, graduation ceremony, canoeing, class field trips, chicks hatching in the Kindergarten room and butterflies hatching in the Grade 1/2 room. Read further into the newsletter and watch for notes from classroom teachers for more details.

I am pleased to be able to share staffing news for next year. There will be a new administration team starting next year. Sylvia Delisle will be the new principal, and our own Lisa Howat will be moving into the vice-principal role. Michelle Smith will be joining Canwood as an EA in the fall. Finally, Angela Storry will be coming to Canwood as a teacher. My final day in Canwood will be June 30<sup>th</sup>. I would like to thank the staff, students and community for welcoming me into your beautiful school. I have had a wonderful five years here and have many fond memories as well as made many friends along the way.

I'll leave you with a safety note, this time of year there is a significant uptick in slow moving vehicles on the roads. Farm machinery, construction vehicles, and all sorts of over sized loads can make for stressful driving situations. The best advice I have ever been given is to give yourself plenty of time when traveling and to take it slow.

-Mr. Brian Linn

## LIBRARY NEWS

A special **Thank You** to all the students who have already returned their library books this school year. Books can not be signed out of the library after June 3rd. All books must be returned by June 10th so that I can start inventory with a full library. If anyone finds a library book over the summer (it may have a **Canwood Community School barcode** on the back right-hand corner or a label on the spine of the book), please hang on to it and return it in the fall as books are very expensive and we would like to keep our local school library as full as possible.

-Mrs. Tracy Pease

## SCHOOL SPORTS

**Badminton** - Senior Badminton was a smashing good time this year. The students loved returning to the competitive court and having the chance to visit other schools again. Thank you to all the students who came out to practices and games and a big thanks to the teams that competed in the Parkland Playdowns. Unfortunately, none of our players were able to advance to District badminton but we had a talented, good-spirited and dedicated bunch of boys and girls that represented Canwood with enthusiasm and good sportsmanship.

Parkland Playdowns team:

Girls Singles - Rebecca Moritz

Boys Singles - Robert Holmes and Jaden Schutte

Boys Doubles - Carson Rivard and Nicholas Moritz; Wesley Charbonneau and Johnathan Bather

-Coach - Mr. Greg Duval

**Senior Track and Field** - It was a very successful track and field season with a big improvement in numbers of Canwood athletes. These athletes are building a strong foundation for a return to successful track teams in Canwood. They were enthusiastic, energetic and dedicated and I look forward to them being leaders in the next year or two as we continue to develop the track program again.

At the District Track Meet we had some very strong showings with Jacklyn Sten advancing to the 800m provincial final. The track team consisted of: Emma Arcand, Noahlyne Amistad, Anastasia Froese, Hauk Bahnuick, Hansyn Bahnuick, Jacklyn Sten, Jenaya Bischler, Bailey Hagel, and Lela Arcand. A shout out to coaches Mrs. Howat and Mr. Duval. Well done Canwood!

-Mr. Greg Duval

**Track is Back!** - A wonderful day was had by all, in Debden on May, 24<sup>th</sup>. K-8 students and staff traveled by bus to Debden and were welcomed by Debden staff and students. Athletes were divided into groups and made their way out to the school yard for a day of healthy competition and fun. Students competed in races, field events and a variety of fun activities were planned for our younger students. Although mother nature was not agreeable on the first scheduled day, she came through for us on Tuesday. The sun was shining and everyone enjoyed the outside time. Thank you to the Debden staff and students for your hospitality and thank you to the Canwood high school students and community volunteers that helped work at the track meet. Also, a great big thankyou to all the spectators that spent the day cheering and encouraging our students.

-Mr. Richard Schwehr
