## **Pet Owners**

We'd like to take this opportunity to remind residents that the Village of Canwood does have an animal control bylaw in place in the Village. This prohibits such things as residents letting their pets run loose in the Village, pets defecating on another person's property and pets creating a nuisance (i.e. barking during the night).

Pets running at large within the Village is a big issue for everyone. Even though you may know your animal is harmless, this does not stop others from being spooked by meeting up with a large animal. Also, even the best behaved animals can get into a situation which causes them to react in different ways than normal, such as showing aggression.

Under the current bylaw, the Village is able to issue fines to anyone contravening the bylaw. You will first be given a warning – either verbal or written – however, any subsequent offences will result in fines being issued.

Please remember to be a responsible pet owner and ensure that you are keeping your pets on your property when they are out and ensure you use a leash when walking your pets.

If you would like a copy of the Animal Control Bylaw, it is available on our website – [canwood.ca](http://canwood.ca) or you can come in to the office to receive a copy.

## **CAFT Pre-Authorized Payments**

Worried about forgetting to pay your water bill? Want to set up paying your taxes in monthly installments? The Village of Canwood is now able to offer pre-authorized payments for utility bills and taxes!

If you are interested in this, please come see Lisa at the Village Office and bring a void cheque.

## **Brick Fundraiser**

In order to help raise the portion of funds needed by the 100<sup>th</sup> Committee to build a monument, we are starting to sell personalized bricks. These bricks can be personalized with up to 3 lines of engraving. These will be used around the monument area. The cost of each brick is \$100.00. Order forms are available at the Village Office and are also available on our website – [canwood.ca](http://canwood.ca)

## **History Book**

The **Canwood and District History Book Committee** plans to publish an updated history book of the **Canwood and District Community** from the time of the earliest settlers to the present and we would like to ask you to help us do this. We would like to unveil the history book at the 100<sup>th</sup> Birthday Celebration in August of 2016. For more information regarding this, please contact:

Barb Benson – (306) 468-2797

Shelley Andersen – (306) 468-2051

The Brochure that was mailed out is also available on the Village Website – [canwood.ca](http://canwood.ca).
