

CANWOOD PUBLIC SCHOOL NEWSLETTER

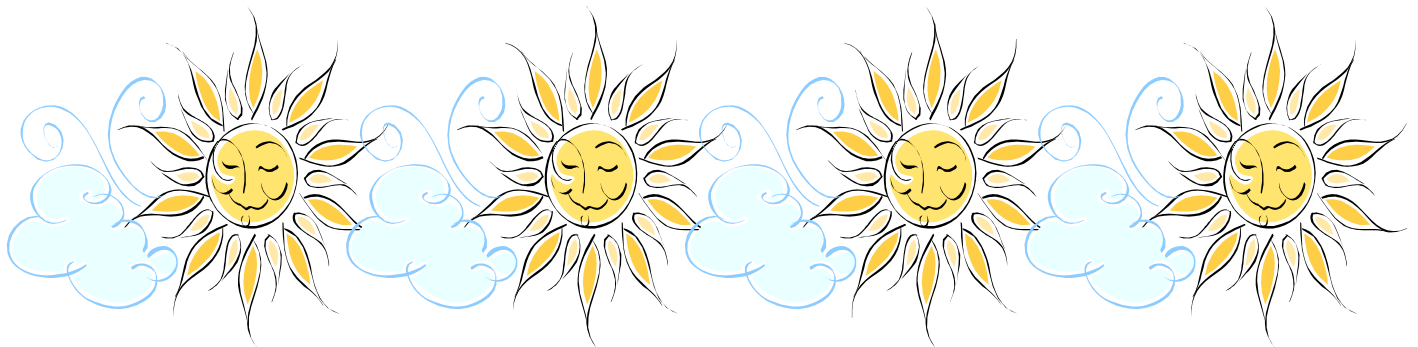

SUMMER 2023

ADMINISTRATOR'S MESSAGE

I think everyone is glad that summer is here! We've had a great year at Canwood Public School! June was a whirlwind of activity filled with finishing off learning outcomes, Kindergarten Graduation, High School Graduation, Track and Field and our Celebration of Student's Success. Look deeper into the newsletter for more information on these June events. We also celebrated Indigenous Peoples Month in a delicious way with Bison Stew in a Bannock Bowl and dessert on June 16th. A huge thank you to Mr. Duval and Mrs. Debbie Delisle and the PAA 9 and PAA 11/12 classes for organizing and cooking this meal. We had an amazing turnout for the Canwood Public School Variety Show and raised \$710.70 for our school. The performances were wonderful and very entertaining. Thanks to Mrs. Hamborg, who did a great job organizing, practicing with students and so much more to make this evening a memorable one. Thanks to everyone who helped and supported this endeavor!

We would like to thank students, families, the community and staff for all your contributions in making this year a success. It takes a village and a whole community to create a great school, "If you want to go fast go alone, If you want to go far go together" -African Proverb. We hope that everyone has a safe and fun summer. Remember to take time to slow down and take in all of the sights, sounds and joys of summer. See you in September!

-Mrs. Lisa Howat & Mrs. Sylvia Delisle

Pre-Kindergarten and Kindergarten Combination Classroom - In the fall Pre-Kindergarten and Kindergarten will be attending together on Mondays and Wednesdays, Kindergarten will attend on alternate Fridays. The enrollment of our school requires us to combine these age groups to have reasonable class sizes. It's important to us that all students have their learning needs met regardless of class configuration. This strategic decision to combine these early years classes was based on alignment and program structure. Alternative grade grouping were considered such as a K,1,2 split, but at this time the combination of Pre-Kindergarten and Kindergarten best meet the needs of our young learners. Pre-Kindergarten will continue to be an early intervention program (spaces are limited), families interested in **applying** are encouraged to do so, families with children in Kindergarten are strongly encouraged to **register** immediately for the fall. Children are accepted to Pre-Kindergarten by September 15th and families will be contacted. Thank you for your support and understanding on this upcoming change.

SCHOOL COMMUNITY COUNCIL

Summary and Upcoming Events - The SCC Board consisted of Elaine Holmes (Chair), Kerri Charbonneau (Vice Chair), Tabetha Person (Secretary), Heather Sten, Lorna Benson, Amie Bather, Sylvia Delisle (Principal), Lisa Howat (Vice-Principal) and Heather Hladun (Staff Rep).

As an SCC we have had a busy year. We supported a letter campaign for more support services in rural communities. We continued to contribute and support mental health awareness (Cody Demerais presentation Grade 7-12), literacy (\$5 Book Fair certificates), art appreciation (helped fund Beauty and the Beast tickets), physical education (helped with Ski Trip) and the school community (Kindergarten Grad t-shirts, wrapping supplies for Santa Shop and off set cost of yearbooks). We will be finishing off our school year with volunteer clean up for Grade 12 Graduation.

The SCC will resume the evening of "Meet the Staff" in September. Some of our focuses for this upcoming year are mental health awareness, parent engagement and fundraising. The SCC along with the school will be looking into design and funding for new playground equipment/outdoor classroom, as well as guest speakers to present to students, parents, caregivers and community. So please watch your school newsletter for upcoming SCC events and join our meetings. Our students, SCC and school appreciate your support and look forward to working together. *-Canwood School Community Council*
