FEBRUARY 2024

ADMINISTRATOR'S MESSAGE

January was a cold month, let's hope that this current warm trend will continue until spring! We are at the official halfway point in the school year. Our high school students have been busy with exams and end of semester projects. The first semester classes are complete, and we are beginning the second semester. The Drama Club is in full swing practicing the play "How to Host a Murder Mystery" by Brian D. Taylor, this dessert theatre has a tentative date of March 20th. More information to follow on drama in the coming month. Badminton practices will begin in February and games and tournaments will follow.

We are happy that Mrs. Dyan Nordquist is returning to Canwood School this month, after a maternity leave. We thank Ms. Sonia Matthias for all the work she has done for us and wish her all the best.

Report cards will be sent home and published on EDSBY on Friday, February 2nd. For grades K-9 this is a mid-year snapshot of your child's learning progress. For high school this is a reporting of their final marks for the first semester's subjects. We want to take this time to thank you for supporting your child's education. Regular attendance, support of our school beliefs and protecting instructional time creates a learning space that your children deserve. We hope everyone has a great start to the last half of our school year and has a restful and rejuvenating winter break in February. Take Care.

-Mrs. Lisa Howat & Mrs. Sylvia Delisle

Bus Drivers Needed - Canwood Public School is in desperate need of spare bus drivers to fill in for our regular bus drivers when they are away. If you or anyone you know is interested in learning more about becoming a school bus driver, please talk to any of our local drivers or call Tracy Pease at 306-468-2126 for more information. Training can be done at your own pace and can fit around almost any other schedule (work or home) you have.

Remind notifications - for SRPSD buses are available. Follow the simple steps below to receive important information about your school bus, sent right to your phone! This would also be helpful for families who don't have a bus but would like to know when buses are not running.

We ask that along with your specific school(s) you also subscribe to "All SRPSD buses". Important division wide information may be sent only to "All SRPSD buses" in some circumstances.
